SENIOR CLASS OFFICERS

**THIS IS THE TIME TO REMEMBER —
CAUSE IT WILL NOT LAST FOREVER —
THESE ARE THE DAYS TO HOLD ON TO
CAUSE WE WON'T ALTHOUGH WE'LL WANT TO —**

— BILLY JOEL

It may not seem real, but our senior year and our four years with each other have ended, yet the ties made between friends will last long after our high school career is over.

We know our class will always maintain close friendships with the people with whom we have spent 4 or more years growing up. There have been hard times but the friendships that have bonded have endured. We will always remember the good times, and the people that made those good times the best.

As officers, we have tried to make this last year together special, but it was each of you who made it special for us.

We're beginning a new phase of our lives now; whether we go on to college or begin a job, the memories of Wellesley High School and our friendships with each other will stay with us forever.

Good Luck!

BOYS' SOCCER

For the Wellesley High School soccer team, this season will be one to remember in the years to come. Despite tremendous injuries to its starting lineup, the corps managed a respectable 8-5-5 record in league play this fall. But even with lingering injuries, team members came very close to qualifying for the MIAA Sectional tournament. Rival Needham tied the Raiders 1-1 on November 3, ending Wellesley's hopes for post-season play.

Needing only one win and a tie in the last two games, Wellesley tied both, missing tournament play by one mere point.

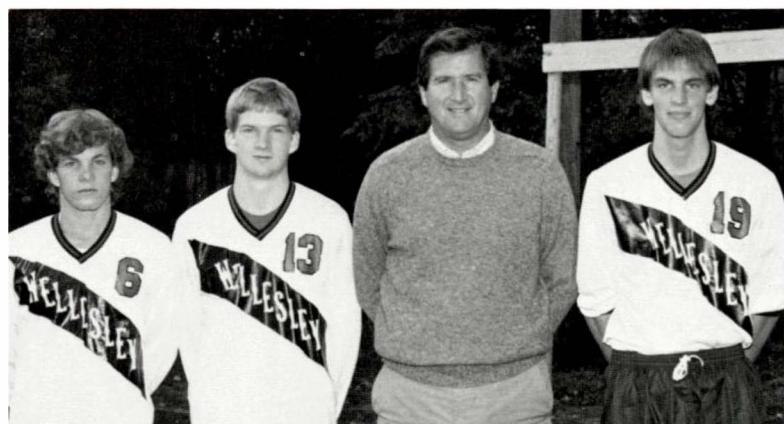

Coach Loiter predicts next year will be different for his hard-working, gusty team - a team that didn't give up when the going was tough.

Sophomore goalie Beth Chont was another outstanding member of the squad.

BOYS' VOLLEYBALL

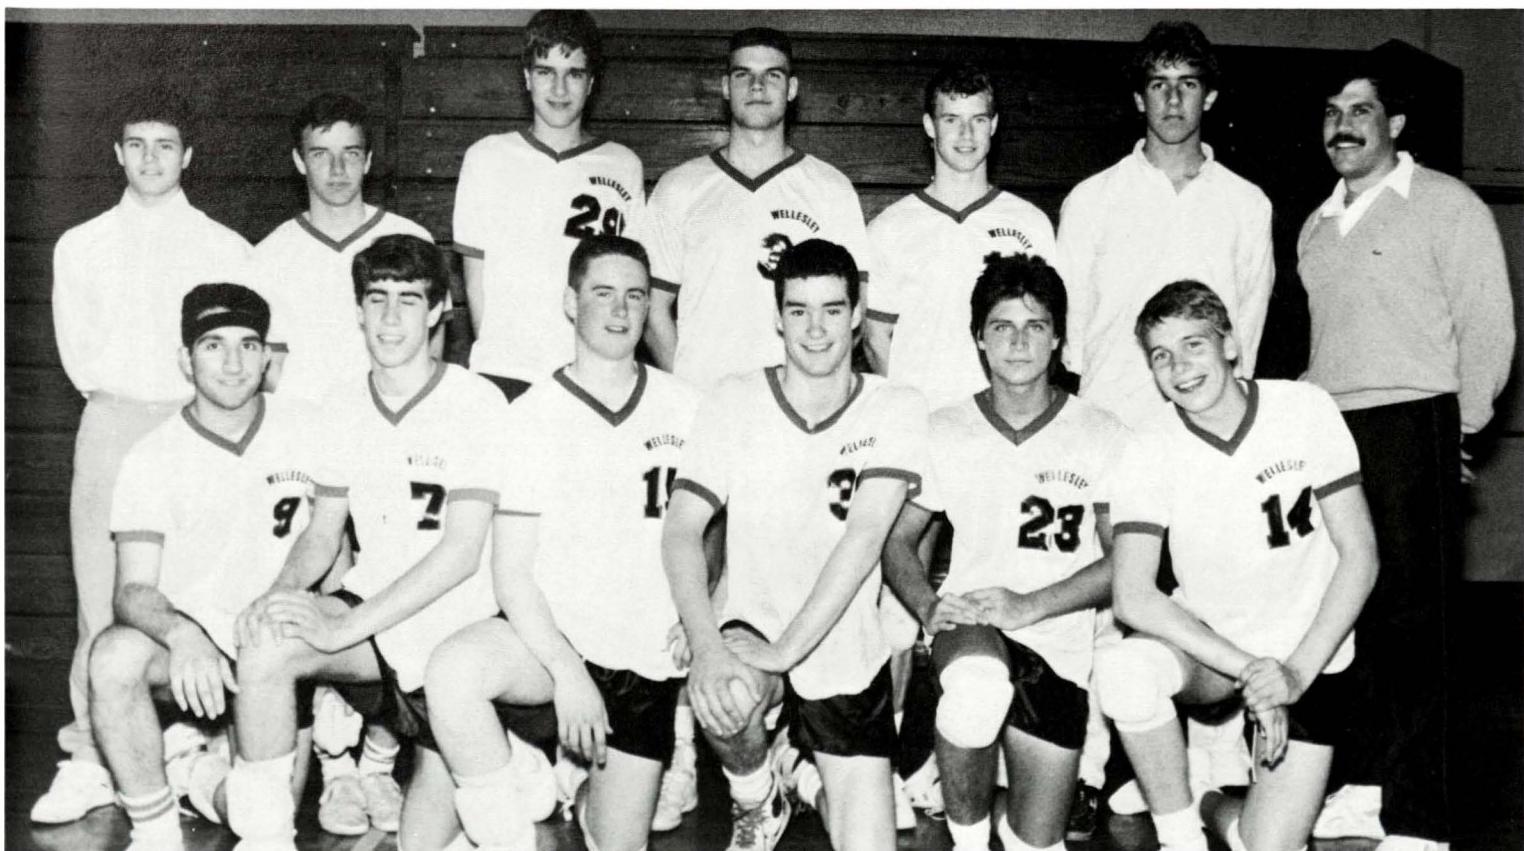

With 23 members, the boys' volleyball team can at last be considered a real Wellesley team. Captained by Deric Harwood and Rob Holmes, the team was strong. Although they won only 6 games, losing 12, they hope for a better season next year. With strong underclassman support, they expect a better future.

HOCKEY TEAM

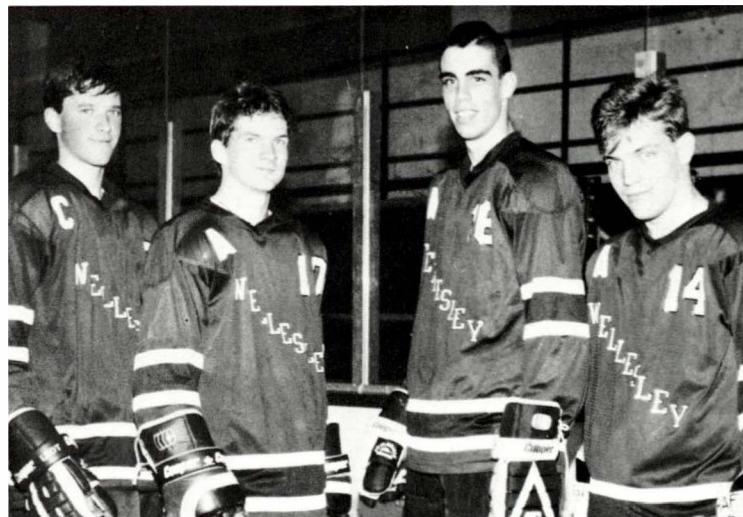

The 1987-88 Varsity Hockey team finished their season in last place with a 1-17 season. The Raiders improved immensely on their previous season playing an aggressive "take the body" style of play. They cut their shots on goal in half, taking pressure off of their sophomore goalies. Wally Bastis and Joey Murray both performed admirably playing their first Varsity season in the nets. Alex Cook, Matt Lucarelli, Jared Parker, and Senior MVP Mike Walker played solid defense for the Raiders. Forwards, led by Captain Than Parker, provided thrill after thrill in a season that could go down as the turning point in recent Wellesley High School Hockey. The Framingham North game when the Raiders ended a 0-29 winless streak with a dramatic 3-2 win. The scene of jubilation on the ice and in the stands following the win will not soon be forgotten.

BOYS' GYMNASTICS

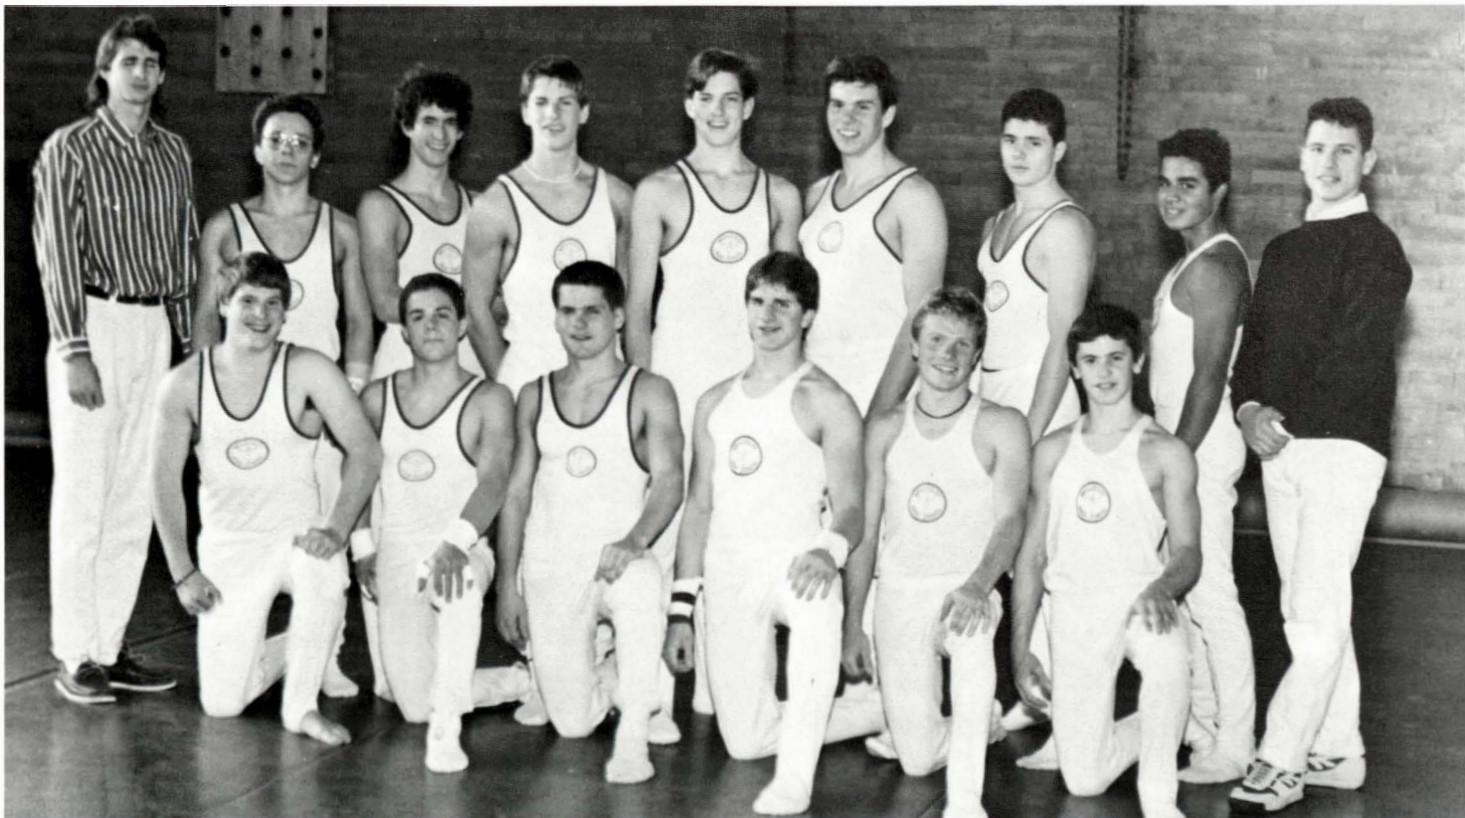

The Boys Gymnastics team was a success simply because they were "together" and had fun. The team's record of 1-7 didn't reflect the desire and unity of the team during the season. Seniors Mike O'Hearn and Rob Holmes helped lead this team of mostly Juniors. In the League Meet, many gymnasts received individual honors. "With the returning Juniors, next season looks bright," said coaches John Redman and Matt Johnson.

GIRLS' GYMNASTICS

The 1988 Girls' Gymnastics team completed quite a good season this year with 6 wins and 4 losses. Led by co-captains Roberta DeStephano and Lianne Kurina, the team sported a qualified all around state individual, Karen McDonald, who went on to become Bay State League Champion. Karen finished second on the vault, all around fifth on the bars, and won on the beam and on the floor.

The team is confident that next year's season will be a great one. They will, however, miss the graduating seniors: Nicole Burg, Roberta DeStefano, Lianne Kurina, and Lori Stevens.

GIRLS' SOFTBALL

The girls' softball team had an excellent season this year. Captained by Charlotte Rowlands and Keri Crawford, the team was very strong. The team won 16 games and lost only four. Lisa Moore and Sarah Cahill were league all-stars and Lisa Moore was the league M.V.P. and the Boston Globe Division on 1 player of the year. The team expects to have as successful a season next year.

LACROSSE

This year's varsity lacrosse team was led by captains Caroline Celi and Sarah Caruthers. The team was strong, although the winning was erratic. For the most part, the season was favorable. With eight wins and only 5 losses (and, of course one tie) the team looks forward to an excellent team next year also. The team will be losing 5 strong seniors, but with the many underclassmen, they hope to win the Bay state next year.

The girls tennis team closed out a very good season with a record 17-1-0. Coach Seiger who was named Coach of the Year by the Boston Globe, was again very instrumental in the team's outstanding record.

On the whole, everything went well for the girls tennis team. The secret to Wellesley's success was due to team unity. Outings such as go-carts, panty raids, miniature golf, McDonalds and going to the Cape; brought the team closer together.

Good luck next year.

ENGLISH

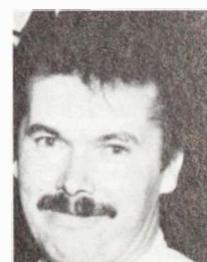

As always, the English Dept., headed by Brooks Goddard, offered an interesting course selection. Full year courses are offered for freshmen and sophomores while juniors and seniors can choose from a selection of semester courses. Mr. Goddard stated that the department establishes a firm base for writing skills and understanding of literature. He hopes to see the department play a larger role in theatre.

FOREIGN LANGUAGE

Last year, in collaboration with Wellesley College and Boston Latin High School, Wellesley High was granted approximately \$12,000. This year, the foreign language department is using these funds to allow veteran teachers to leave the classroom part-time to pursue course work and projects. These include telecommunication between American and Foreign High School students and the use of video in the teaching of languages.

SCIENCE

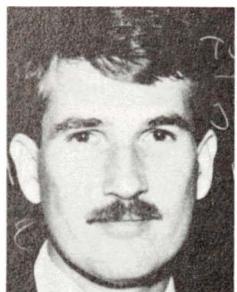

The Science department continued to offer a sound basic program in the three major disciplines, preparing students for majors in the science and engineering field at the college level, and enhancing their awareness of the role science plays in their lives. Understanding that science is an intellectual discipline, will make students more literate scientifically and more capable of proposing solutions to problems science has encountered.

SOCIAL STUDIES

Our new History Department Head Mr. Whitbeck, is enthusiastic about Wellesley High this year. "The students are very enthusiastic" says Mr. Whitbeck. In the works for this year is a "60's Day" in which students would dress in character and be a part of the culture.

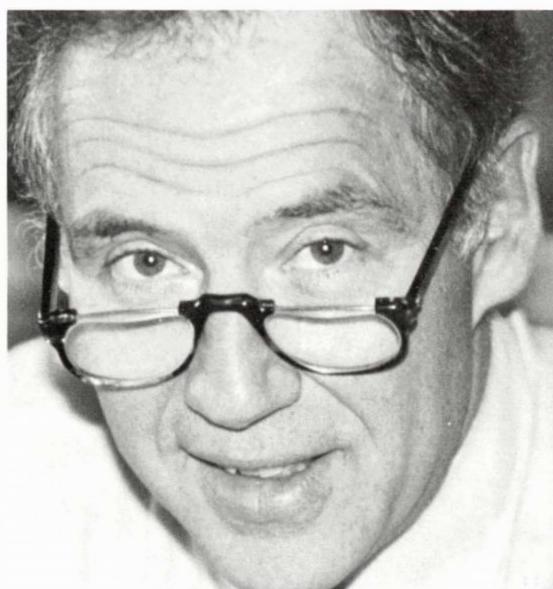

Due to our History courses, the students have a better understanding of the events that shaped our history. They can apply what they learned about the past and relate it to issues and events that are going on in the present. The courses offered range from Psychology to Economic Theory and American History for all juniors.

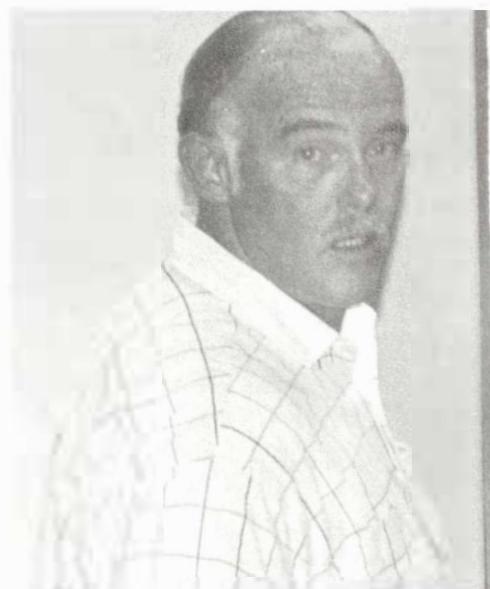

"Yes, heehee, we DO offer psychology." (Mr. Whitbeck)

WELLESLEYA

NATIONAL MERIT SCHOLARS

Julia Clarkson

The National Merit Scholarship Corporation announces the names of semifinalists for three reasons: to honor these outstanding students; to bring these students to the attention of colleges and universities; and to focus the spotlight on academic excellence throughout all 50 states. There are some 15,000 young men and women who are honored as semifinalists. In the 1988 competition, about 6,000 Merit Scholarships worth over \$23 million were awarded. Wellesley High School was honored to have in our graduating class eight of these fine students. Congratulations 1988 National Merit Scholarship Finalists!

INTERNATIONAL BACCALAUREATE

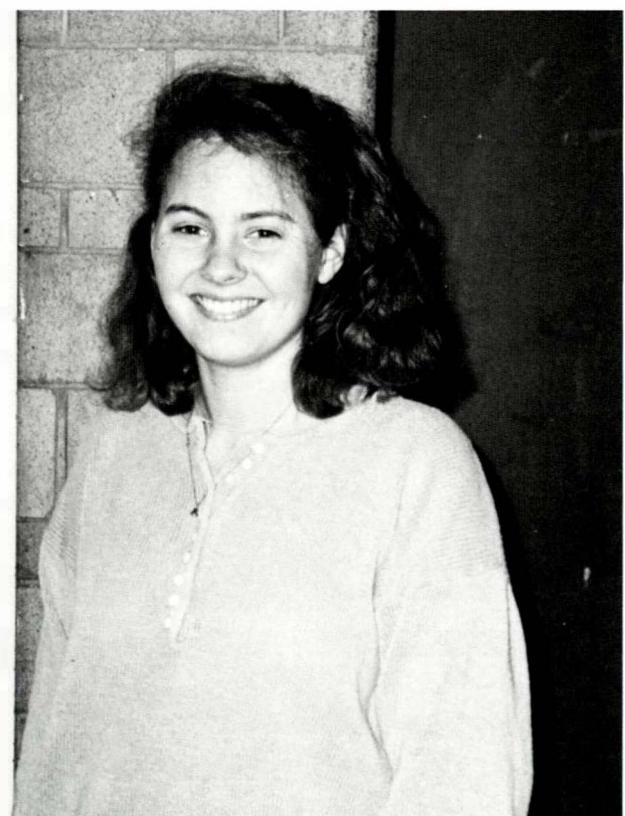

The IB Program, co-directed by Mr. Vasaturo, and Mr. Whelahan, offers a challenging program to academically talented students. Students opting to enroll must follow a rigorous, comprehensive curriculum throughout their high school years in preparation for extensive testing in the senior year. The Baccalaureate diploma is recognized by top universities around the world and may even serve as an automatic acceptance. Many of these schools offer individual course credit for successful completion of IB exams. As a result, graduates of the program can enter some colleges as sophomores.

INDEPENDENT STUDY

Independent Study is a school or community-based program which has provided experimental learning to Wellesley High School students for over a dozen years. Through Independent Study, students are provided the opportunity to have experiences beyond the ordinary course offerings, which could be beneficial to self-growth and understanding, as well as shed new light on the world in which they live.

SHAKESPEARE DAY —

April 28, 1988

BY SHAKESPEARE & COMPANY

Horatio (Robert Biggs) holds the dying Hamlet (Peter Witrock)

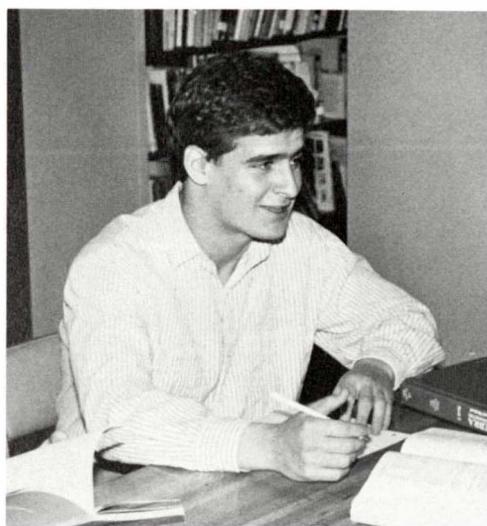

On April 28, 1988, Shakespeare & Company presented Shakespeare's drama *Hamlet* to Wellesley High School students.

This production of the play was designed for touring to schools. It involved 6 actors playing 12 different parts. The company set the play in the Middle Ages of another time, possibly a future time. The kingdom was called Denmark, as from the original drama. The influences of philosophy, politics, morality, and religion are of a certain quality as the masculine forces of this play are in ascendance. Multiple realities of time and place were often preset onstage. As in many of Shakespeare's tragedies, the backdrop was war.

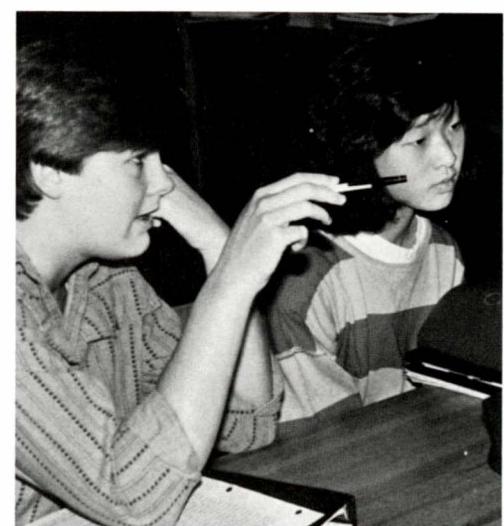

The company performed at the invitation of the English Department, supported by School Improvement funds, a CWPE grant and a Crockett fund grant. Students attended with their English classes and the community was also invited.

The sophomore class started off their year with a Halloween dance. It was a definite success. To earn some money, they had a candy/gift fundraiser during the holiday season. This was a quick and easy way to earn money. In February, 50 members of the class spent a weekend together skiing at Sunday River in Maine. The weather was beautiful and all ran smoothly. In April, they held a dance. Lastly, a Sophomore barbecue and dance was held in June after the seniors left.

THE 1988 WELLESLEYAN

The editors and staff of the 1988 *Wellesleyan* work hard all year in an effort to produce the *Wellesleyan* yearbook. Meeting three deadlines, the job consists of layout and page design, photography, and journalism and producing this 240 page book involves a great deal of organizational skill. It needs the support of many in order to be a complete coverage of the school. The yearbook, coordinated by co-editors-in-chief Norah Mogan and Greg Yaitanes, provided an excellent opportunity to produce a lasting tangible memory of the 1988 school year at Wellesley Senior High School.

FRENCH EXCHANGE

The French Exchange took place between Wellesley High School and le Lycee Corot in Savigny, France. The American Students stayed with their families for three weeks and are given the opportunity to attend school and take trips to Paris and neighboring towns. The French students come to the U.S. later in the year and stay also for three weeks. Everyone benefits from the Exchange through better understanding of foreign languages and cultures.

GERMAN EXCHANGE

The German Exchange took place in Munich, Germany. The students visited Berlin and are allowed to see the East part of the city. Many described this trip as the most interesting. The trip took place during the summer months and the German students came here during the school year.

SPANISH EXCHANGE

Hola! The Spanish Exchange took place from February 10 to March 3rd this year. Sixteen Spanish students went, and the chaperones were the Ubaldino's. The first four days were spent traveling and seeing different cities such as Salamanca, Segovia, and Arila. The next two and a half weeks were spent in Madrid living with families, and taking day trips to Toledo and El Escorial.

The trip was a wonderful experience for everyone. Thanks to all who helped make it possible!

It began with a cheese and chocolate fondue party (yummy!) in the fall, and later the club attended a terrific performance of "Les Miserables" in Boston. The club also helped the ABC house to organize a welcoming party for the French exchange students in the spring.

Coke, potato chips and war games on Friday afternoons! — Will anyone ever beat Rob McGinness in *Machiavelli*? Or will members ever stop trying to impeach the officers?

It's certain that our members are dedicated gamers, skilled at diplomacy, making deals, breaking deals, and back stabbing. Don't tell me! These are the skills we'll need to succeed in the "real" world. But, after all, after a war game, what *is* the real world?

Academic Decathlon

After two years of trying, we almost made it to the top. Well, second place is better than seventh! But, why Franklin? We're better than they are, and nobody can equal us in speech, essay, and interview. It's doubtful that any team could equal ours in potential. What's so great about San Antonio anyway?

THE BRADFORD

Editors Peter Solomon, Brad Simon

The Bradford, the WHS school newspaper, made many great strides this year. It rose "from the ashes" of what appeared to be certain doom last year to become bigger and better than ever. The independent student-run newspaper published four issues this year.

Co-editors Brad Simon and Peter Solomon started from nothing at the beginning of the year. All four issues were published on the new Macintoshes in the MacLab. Some of the major stories were the Christmas Controversy, course cuts, and teacher riffs.

New fund raising plans promise to allow *The Bradford* to be published almost every month next year. Future endeavors of The Bradford include the revival of *Mélange*, the WHS literary magazine, and possibly a video production on Wellesley Cable Channel 3. by Jeremiah Wilton and Ben Merowitz

Unbelievable . . .

It's finally over. A senior class that has lost 60 students over the last two years has graduated. Congratulations, we wish you the best of luck.

Putting together the masterpiece you're holding in your hands, was by far no easy task. Janice Barrett's and Ralph Bowman's dedication and devotion to the book was instrumental in its completion. Outstanding staff members — Kris Kingery, Brittany Collier, Heather Dadourian, Keri Kotler and Leah Verrant; were all great assets when times got difficult. Thanks for all your help, and good luck to Brittany and Leah who will be next year's editors.
